

Christian Science Foundations

Christian Scientists cherish caring for each other. The foundations in this listing are dedicated to providing financial aid for Christian Science care activities when needed. The grants may cover anything from Christian Science nursing fees, facility fees, and practitioner fees to short-term or emergency assistance for basic living expenses. Each foundation has its own parameters for the type of expense it covers and which part of the U.S. it includes. Should you or a loved one need financial help, one of the organizations below may be able to provide just the right assistance. In addition, most Christian Science nursing facilities offer benevolence to those who would benefit from the care but do not have the resources to cover the full cost.

Christian Science Nursing Care Endowment

The Christian Science Nursing Care Endowment provides financial assistance to Christian Scientists in Southern California who need Christian Science nursing care but cannot afford it.
