

## Christian Science Audio Products

Here's a list of the many different ways you can listen to Christian Science audio products. They include both products created specifically for audio, and audio recordings of a wide range of preexisting Christian Science literature, including *Science and Health*, and many periodical articles. NOTE: To locate audio options, look for  — a headphone icon often found near the title of an article or in the upper bar area.

**Daily Lift** — Get a spiritual “lift” each weekday with these 3- to 4-minute sharing commentaries. Daily Lift podcasts are short takes on inspiring ideas to enrich your day and share with friends.

## Sentinel Watch Podcast

**Sentinel Watch** — These 30- to 60-minute podcasts are informal interviews with practicing Christian Scientists who share insights and experiences about topics meaningful to them. Every Monday, these contributors tackle topics relevant to your daily life and to inspiring your prayers for the world. Hear from Christian Scientists from many countries and all walks of life, including *Journal*-listed Christian Science practitioners and teachers, who discuss Christian Science and its healing power and answer questions sent in by listeners.

**JSH-Online** — This website is the online source for all of the Christian Science periodicals and other publications. The search area is a complete database of every article or testimony published — and provides an easy way to look for inspiration. The site features the three main Christian Science magazines (*The Journal*, *Sentinel*, and *The Herald*), in addition to a growing list of biographies of Mary Baker Eddy. JSH-Online is subscription based, but *many* of the writings are available in a free audio format. These sample audio articles are usually featured at the top, or can be found by scrolling down to the topics area.
